

# Bubble Baby Paige Hunt: A True Story of Resilience and Triumph Over Adversity

Bubble Baby Paige Hunt is a truly inspiring story of a young girl who overcame incredible odds to live a full and happy life. Born with a rare and life-threatening disease, Paige spent her early years in a plastic bubble. Despite the challenges she faced, she never gave up hope. With the love and support of her family and friends, Paige eventually found a way to live beyond the bubble.

## Paige's Early Life

Paige was born in 1988 with severe combined immunodeficiency (SCID), a rare genetic disorder that left her without a functioning immune system. As a result, she was unable to fight off even the most common infections. Paige's parents were told that she would likely not live past infancy. However, Paige's parents refused to give up on her. They took her home and created a sterile environment for her, complete with a plastic bubble that protected her from the outside world.
