

Created to Be: A Journey of Kindness, Thankfulness & Friendship

In a world where division and negativity often seem to dominate the headlines, it's more important than ever to teach our children the values of kindness, thankfulness, and friendship. These virtues are essential for creating a more compassionate and just world, and they can make a profound difference in the lives of our children.

The Garden In My Heart: A book about sharing kindness, thankfulness and friendship (Created To Be)

Created to Be is a heartwarming story that teaches these important values in a fun and engaging way. The book follows the journey of a young girl named Lily as she learns the importance of kindness, thankfulness, and friendship. Along the way, she meets a cast of colorful characters who help her to understand these virtues and how they can make the world a better place.

With its beautiful illustrations and inspiring message, *Created to Be* is a book that will resonate with children of all ages. It's a story that will teach them the importance of being kind to others, being thankful for what they have, and making friends who will support them through thick and thin.

The Power of Kindness

Kindness is one of the most important virtues that we can teach our children. It's the quality of being friendly, generous, and considerate of others. Kindness can make the world a better place, one small act at a time.

In *Created to Be*, Lily learns the power of kindness when she helps a lost puppy find its way home. She also learns that kindness can be contagious, as her act of kindness inspires others to be kind to her.

Teaching our children to be kind is one of the best ways to make the world a better place. When we teach our children to be kind, we're teaching them to be compassionate, empathetic, and caring. We're also teaching them to be more tolerant and understanding of others.

The Importance of Thankfulness

Thankfulness is another important virtue that we can teach our children. It's the quality of being grateful for what we have. Thankfulness can help us to appreciate the good things in our lives and to focus on the positive.

In *Created to Be*, Lily learns the importance of thankfulness when she takes the time to appreciate the beauty of nature. She also learns that thankfulness can be contagious, as her expression of gratitude inspires others to be thankful as well.

Teaching our children to be thankful is one of the best ways to help them develop a positive outlook on life. When we teach our children to be thankful, we're teaching them to be content with what they have and to focus on the blessings in their lives.

The Value of Friendship

Friendship is one of the most important things in life. It's a relationship based on trust, respect, and mutual affection. Friends are there for us through thick and thin, and they make life more enjoyable.

In *Created to Be*, Lily learns the value of friendship when she makes friends with a group of animals. She learns that friends come in all shapes and sizes, and that they can make even the hardest times more bearable.

Teaching our children the value of friendship is one of the best ways to help them develop strong social skills. When we teach our children to value friendship, we're teaching them to be loyal, supportive, and compassionate. We're also teaching them the importance of having people in their lives who they can rely on.

Created to Be: A Book for All Ages

Created to Be is a book that will resonate with children of all ages. It's a story that teaches the importance of kindness, thankfulness, and friendship in a fun and engaging way. With its beautiful illustrations and inspiring message, *Created to Be* is a book that will stay with children long after they finish reading it.

If you're looking for a book that will teach your children the importance of kindness, thankfulness, and friendship, then *Created to Be* is the perfect

book for you.
