## Chapter 13: Annoying Villagers Prisoner

Steve and Alex were walking through a forest when they came across a village. The villagers were friendly at first, but then they started to get annoying. They followed Steve and Alex everywhere they went, and they wouldn't stop talking. Steve and Alex tried to ignore them, but the villagers just kept getting on their nerves.

Finally, Steve and Alex had enough. They turned around and told the villagers to leave them alone. But the villagers didn't listen. They just kept following Steve and Alex, and they started to get physical. Steve and Alex tried to fight back, but the villagers were too strong.

The villagers eventually managed to capture Steve and Alex and throw them in a prison cell. The villagers were so happy that they had finally captured Steve and Alex that they started to dance and sing.

Steve and Alex were not happy. They were stuck in a prison cell and there was no way out. They tried to break down the door, but it was too strong.

Steve and Alex were starting to lose hope. They didn't know how they were going to get out of this mess.

But then, Steve had an idea. He knew that the villagers were afraid of spiders. So, he started to make a spider out of string.

The villagers were terrified when they saw the spider. They ran away screaming.

Steve and Alex quickly broke down the door and ran out of the prison cell.

They were free!

Steve and Alex ran all the way back to their house. They were so relieved to be home safe and sound.

The next day, Steve and Alex went back to the village to get their stuff. The villagers were still afraid of the spider, so they didn't come near Steve and Alex.

Steve and Alex got their stuff and left the village. They were never going back.
