Are you interested in starting a blog, but you're not sure where to start? Or maybe you've already started a blog, but you're not sure how to make money from it.

If so, this article is for you.

In this article, I will show you how to start a blog with Wix website builder for free and make money blogging.

Wix is a popular website builder that is easy to use, even for beginners.

With Wix, you can create a beautiful blog without any coding or design experience.

And the best part is, Wix is free to use.

So, if you're ready to start blogging, follow these steps:

### **Step 1: Create a Wix Account**

The first step is to create a Wix account.

To do this, visit the Wix website and click on the "Sign Up" button.

On the next page, enter your email address, create a password, and select a username.

Once you have entered all of the required information, click on the "Sign Up" button.

### **Step 2: Choose a Blog Template**

Once you have created a Wix account, you need to choose a blog template.

Wix offers a wide variety of blog templates to choose from.

To find a blog template, click on the "Templates" tab in the Wix editor.

On the next page, you will see a variety of blog templates to choose from.

To preview a template, click on the "Preview" button.

Once you have found a template that you like, click on the "Edit" button.

### **Step 3: Customize Your Blog**

Once you have chosen a blog template, you can start customizing it.

To customize your blog, click on the "Edit" button in the Wix editor.

On the next page, you will see a variety of options for customizing your blog.

You can change the layout of your blog, add new pages, and add widgets.

To add a new page, click on the "Pages" tab in the Wix editor.

On the next page, click on the "Add Page" button.

To add a widget, click on the "Add" button in the Wix editor.

On the next page, you will see a variety of widgets to choose from.

To add a widget, click on the "Add" button.

### **Step 4: Write Your First Blog Post**

Once you have customized your blog, you can start writing your first blog post.

To write a blog post, click on the "Posts" tab in the Wix editor.

On the next page, click on the "Add Post" button.

On the next page, you will see a variety of options for writing your blog post.

You can add a title, a body, and a featured image.

Once you have finished writing your blog post, click on the "Publish" button.

## **Step 5: Promote Your Blog**

Once you have written your first blog post, it's time to start promoting it.

There are a number of ways to promote your blog, including:

- Social media
- Email marketing
- Guest posting
- Paid advertising

By promoting your blog, you can reach a wider audience and get more people reading your content.

## **Step 6: Make Money Blogging**

Once you have started getting traffic to your blog, you can start making money from it.

There are a number of ways to make money blogging, including:
