

Meet the feisty guardian angels in Angels With Attitude

In the celestial realm, where the ethereal and the mundane collide, there's a team of guardian angels unlike any other: the Angels With Attitude. These

celestial beings have a celestial mission with a twist—they're not your average, ethereal protectors.

Imagine a band of angels who aren't afraid to break the mold, who possess a healthy dose of sass, and who always bring a touch of raucous laughter to the heavenly realms. That's the Angels With Attitude, a celestial force to be reckoned with.

Their leader, the archangel Ariel, is a fierce and formidable force, but she's also got a heart of gold and a wicked sense of humor. Along with her companions—the wise-cracking Raphael, the enigmatic Michael, and the ever-optimistic Gabriel—Ariel embarks on a series of extraordinary adventures.

In "Angels With Attitude," the debut novel of author Peggy Perry, we follow these celestial misfits as they navigate the complexities of mortal life. They have fun while protecting their human charges, often finding themselves in laugh-out-loud situations.

When a group of mischievous imps decide to wreak havoc on Earth, the Angels With Attitude are ready for the challenge. They soar through the skies, armed with heavenly humor and a collection of celestial gadgets that would make James Bond jealous. From battling rogue demons to outwitting cunning sorcerers, these angels never back down from a good fight.

But amidst the chaos and celestial shenanigans, there's a deeper message that resonates throughout the book: that even in the darkest of times, laughter can be a powerful weapon against adversity. The Angels With Attitude show us that it's okay to embrace our individuality, even if it means breaking a few heavenly rules along the way.

If you're looking for a book that will make you laugh, warm your heart, and inspire you to embrace your own inner angel, then "Angels With Attitude" is the perfect read for you. Join Ariel and her celestial crew on their extraordinary adventures, and discover the true meaning of heavenly humor.

Praise for "Angels With Attitude"

"A delightful and heartwarming tale that will leave you smiling long after you finish the last page."—Booklist

"Perry's angels are a breath of fresh air in the celestial landscape. They're funny, fearless, and always up for a good laugh."—Kirkus Reviews

"A charming and imaginative novel that will appeal to readers of all ages."—School Library Journal

About the Author

Peggy Perry is a lifelong lover of books and a passionate advocate for laughter. She has worked as a teacher, a librarian, and a professional storyteller. "Angels With Attitude" is her debut novel, and she is currently working on the next installment in the series.

When she's not writing or reading, Peggy enjoys spending time with her family and friends, hiking, and exploring the natural world.
