In the secluded depths of the Catskill Mountains, a group of friends gather for a weekend getaway at a remote mountain cabin. As the snow falls outside and the wind howls through the trees, they settle in for a weekend of relaxation and camaraderie.

But their idyllic retreat soon turns into a nightmare. Strange noises echo through the empty hallways, doors creak open and slam shut on their own, and the friends begin to experience unexplained visions and hallucinations.

As the terror mounts, the friends realize that they may have stumbled upon a sinister secret that threatens to consume them all. The cabin, they discover, has a dark history, and the spirits of its former occupants are restless and vengeful.

With each passing hour, the friends' grip on reality weakens. They turn on each other, driven by fear and paranoia. And as the body count rises, they realize that there is no escape from the evil that lurks within the walls of the cabin.
