In the world of self-publishing, there are countless books, courses, and workshops that promise to teach you how to make a quick buck. But what if you're not interested in a get-rich-quick scheme? What if you want to build a sustainable self-publishing career that will provide you with a steady income for years to come?

That's where "Self Publishing Unboxed: The Three Year No Plan For Making Sustainable Living" comes in. This book is a no-nonsense guide to self-publishing that will teach you everything you need to know to build a successful business. It's not a quick fix, but it is a proven path to success.

The author, David Gaughran, has been a successful self-published author for over a decade. He's sold over a million copies of his books and has earned a full-time income from his writing. In "Self Publishing Unboxed," he shares everything he's learned about how to build a sustainable self-publishing career.

The book is divided into three parts.

- **Part 1: The Fundamentals**

In this section, Gaughran covers the basics of self-publishing, including how to choose a niche, format your book, and create a compelling cover.

- **Part 2: The Three Year No Plan**

This is the heart of the book. Gaughran explains his unique approach to self-publishing, which is based on the idea of a "three year no plan." This is not a plan in the traditional sense, but rather a set of principles that will guide you as you build your self-publishing business.

- **Part 3: The Business of Self-Publishing**

In this section, Gaughran covers the business side of self-publishing, including how to market your books, build a platform, and make money from your writing.

"Self Publishing Unboxed" is a comprehensive and practical guide to self-publishing. It's a must-read for anyone who wants to build a successful self-publishing career.

Here are some of the key takeaways from the book:

- Self-publishing is a viable career path. You can make a good living from self-publishing, but it takes time and effort.
- There is no one-size-fits-all approach to self-publishing. You need to find an approach that works for you and your unique circumstances.
- Building a successful self-publishing career takes time. Don't expect to become an overnight success.
- Marketing your books is essential. You need to find ways to get your books in front of readers.
- Building a platform is important. A platform will help you connect with readers and promote your books.
- Making money from your writing is possible. There are many ways to monetize your self-published books.

If you're serious about building a sustainable self-publishing career, then you need to read "Self Publishing Unboxed." This book will give you the tools and knowledge you need to succeed.
