The book is divided into four parts:

1. **The Early Church:** This section explores the origins of church music in the early Christian community. It discusses the role of music in worship, the development of early Christian hymns, and the influence of Greek and Roman music on the development of church music.
2. **The Middle Ages:** This section examines the development of church music during the Middle Ages. It discusses the rise of polyphony, the development of the Gregorian chant, and the influence of the Crusades on the development of church music.

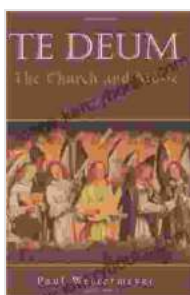

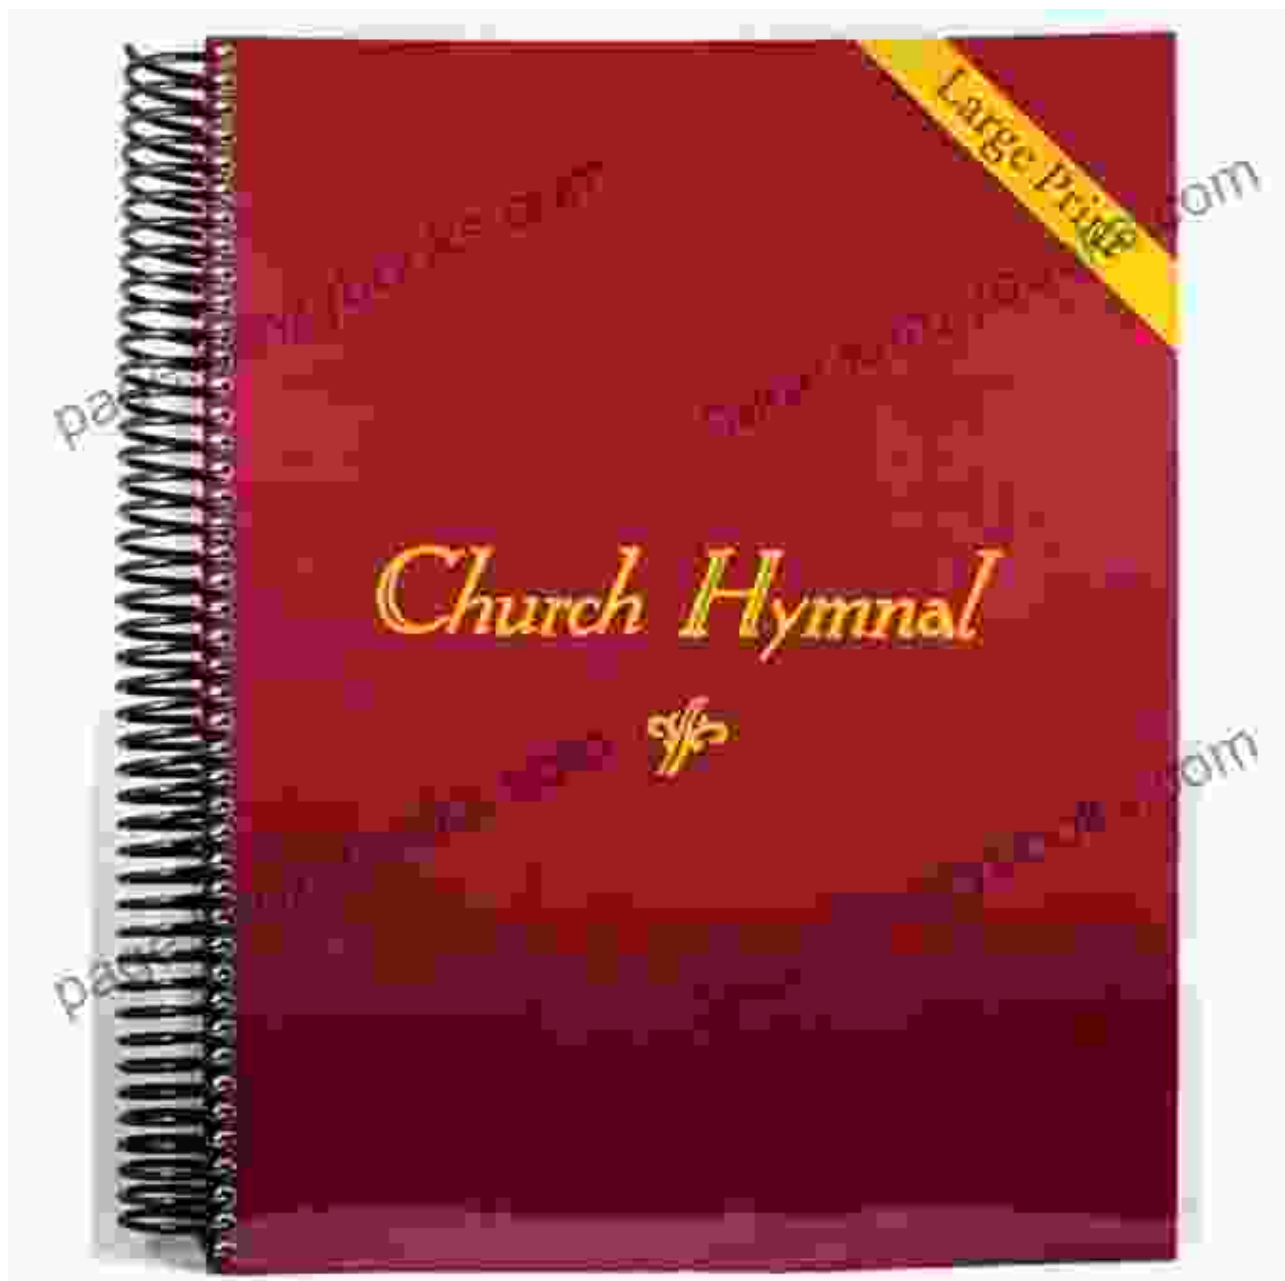

3. **The Renaissance and Reformation:** This section examines the development of church music during the Renaissance and Reformation periods. It discusses the rise of humanism, the development of new musical forms, and the impact of the Protestant Reformation on church music.
4. **The Baroque and Classical Periods:** This section examines the development of church music during the Baroque and Classical periods. It discusses the rise of the Baroque concerto, the development of the Classical symphony, and the influence of the Enlightenment on church music.

Te Deum: Church And Music is a well-written and informative book that is sure to appeal to a wide range of readers. The book is well-organized and easy to follow, and it is filled with interesting and informative details.

If you are interested in the history of music, the history of the church, or the intersection of these two disciplines, then you will want to read **Te Deum: Church And Music**. This book is a valuable resource that will provide you with a deep understanding of the history and development of church music.
